Greetings,

The move into a state-of-the-Art home in August 2010 set the stage for an exciting year for the Rhythm Project. During the 2010/2011 academic year, Rhythm Project ensembles performed for an audience of over 40,000 in upwards of 50 performances throughout the Hampton Roads region. Feature performances this year included: the dedication of the Virginia Arts Festival Robin Hixon Theater, Rhythm Live!, the Virginia International Tattoo and the 9th Annual PANoroma Caribbean Music Fest. Our list of activities for the Summer include: our Summer Jobs Program, with performances from June through September, Jumpstart Summer Camp for new and returning All Stars students and a Graduation Ceremony/15th Anniversary Celebration. During this reception we will celebrate the impact of the Rhythm Project on the community over the past 15 years by highlighting milestones for the overall program, as well as the accomplishments of individual members. After the celebration and summer fun has all subsided, it will then be time to get to work on recruiting new students for all of our ensembles so that we can continue to share the gift of music with young people throughout Hampton Roads.

Sincerely,

Sophia Subero  Dave Longfellow
